Bill,

Just touching base to see if you'd had the chance to sign the Windspeed/Super G loan documents. Let me know if you have any questions about the documents or the process.

Thanks, Julie

Bill,

I apologize. I thought you'd seen the final documents. Attached are the final documents for the Windspeed transaction. Matt and Super G confirmed the numbers on the first page of the Amended & Restated Loan Agreement. You should be signing four signature pages. Let me know if you have any questions.

Thanks, Julie
